Miigwech (Thank you) for your understanding and support

White Earth Enterprises Sanitation Department

Draft Statement:

“Press Release – On March 29, 2025, our White Earth Enterprises – Sanitation trash sorting building suffered a loss due to a fire incident. The current situation is stabilized, and emergency responses took immediate action. There are no injuries reported and no ongoing threat to public safety. The status of the facility is under assessment and has no root cause at this moment as to why the fire started, and

We are dedicated to working on minimizing potential service disruptions. We will continue updates on potential service disruptions on our social media channels for White Earth Nation, White Earth Enterprises – Sanitation and for the White Earth Enterprises Website. The links for these updates can be found at:

-White Earth Nation Facebook - <https://www.facebook.com/WhiteEarthNation>

-White Earth Enterprises Facebook - <https://www.facebook.com/weesanitation>

-White Earth Enterprises Website - <https://www.weenterprise.com/>

Miigwech to our emergency response teams and our sanitation team for their swift action in preventing injuries and for minimizing the threat to our communities.

-White Earth Enterprises”
